"We truly appreciate the SongLink service! We keep coming back, and are always able to find great songs for our artists. We will be back soon with more listings, many thanks!" - Simon Becker, JR2Ventures, Vancouver.

"Hi David, out of the 16 songs on our act Jeronimo's new album, 12 came from SongLink writers, including Charlie Mason who co-wrote the new single 'Firefly'. The album 'One Kiss' has been released in Holland, Belgium and also a dozen other countries. Thanks for the support, I will be back soon looking for new songs." - CP Management, Netherlands

"Hi David, just wanted to say a BIG thank you to you and SongLink. I first got away 'Hold Me Close' to Jennifer Meade ('Loveville' album) and it's been top of her popularity ratings on iTunes for months and months, out of all the tracks she's ever done." - Gill Rose, UK

"Keep up good work, it has been money well spent for my co-writer and I." - James Stephenson, UK

"Amazing!! I've found some incredible songs for our artist Kitty Brucknell (X Factor)" - Amy Hart, London W11

"Hi David, just wanted to say that my listing in SongLink has received a tremendous response. The calibre of the candidates was quite remarkable. Keep up the good work." - Wayney Menezes, Void Records

"As a direct result of SongLink, I did a licensing deal with Triple M Music (Germany); placed a hip hop track with Danish teen star rapper Honik; and got a ballad published with Silk and Denim Music, Nashville who have since found a sync placement for it. I will continue to subscribe and spread the word. Thank you for all that you do." - Jonny Amos, Writer/Producer
